Motion was regularly made and seconded that a petition be sent to the Executive Committee requesting them to permit the Friendly Visiting Committee to raise and maintain a relief fund to be handled and managed by them for the families who are reported to the committee at its meetings. Carried.

Mrs. Street reported that upon investigation she found that the mission on Broome Street was inconvenient for the purpose of holding a social, especially as they had no musical instrument and she had arranged to hold a musical, therefore she had arranged to hold the social at Rev. Stubblebine's church and distributed the circulars among the ladies and gentlemen present.

Motion was made and seconded that Mrs. Street be thanked for her efforts in arranging for the social. Carried.

Mrs. Francisco reported that Mr. and Mrs. Edward Mary, 13 Lincoln Place, City have not received their receipts for the dollar which they paid for membership. Also that her husband had not received credit for his membership.

(58)  
SHAW Man home sick. Women out doing day's work, feels better but is not well. The children are in the street playing. Miss Stratton asked to see about the measles sign. Miss Stratton has a position for the oldest girl when the quarantine is lifted. Case closed. Mrs. Richardson asked to keep in touch with them informally.

GODWIN Man gone back to the country to work. Trote to R. C. L. Brown that he was doing very nicely.

WARD Miss Conley reported that there had been some misunderstanding about the payment of \$.50. The nursing association nurses are supposed to call free of charge on all cases called by the Bureau or League, although they to charge \$.50 to all who can afford to pay it. Mrs. Scott had not called this week, so there was no report.

SPRADLEY Mrs. Douglas reported over the phone that she could not go with Mrs. Spradley to the clinic at nine o'clock in the morning. Miss Stratton was asked to see if she could get the woman to the clinic.

GILFORD Mrs. Hilton reported that the boy was in a bad condition. She was asked to send the city doctor in and get the report on the case the next day if possible.

DAVIS Mrs. Westley asked for clothes. She was asked to look over the clothes and see if there were any that she could use.

CASTER Mrs. Street reported that the boy was out of the hospital. He had lost one eye and it had strengthened the other.

10 Locke Street Rev. Redd reported that the woman said that her husband died at the German Hospital and that when she inquired for his body they told her that he was at the morgue. When she went to the morgue they told her that her husband was buried and she did not know where he was. Rev. Redd was asked to get more details and report to the office the next morning.
